## Tina E. Gilbert

Founder | Chief People Strategist | Author

Tina E. Gilbert from Little Rock, Arkansas has over 25 years of experience of designing, developing, implementing and evaluating training solutions. She is an interactive workshop leader, facilitator and coach. She pursued her career and education by graduating from University of Central Arkansas with a Bachelor's degree in Business Administration in Marketing and Webster University where she received a Master of Arts in Management Leadership.

In 2011, she became founder and president of Next Level Training Solutions Group, LLC, which offers high-quality training and workshops on various topics and organizational development services. Tina's commitment to each client is not only about offering great services and programs, but an overall exceptional experience from start to finish.

In her work, she has customized a signature program dedicated to assisting clients so they can SOAR to the Next Level. SOAR is a customized action plan for promoting growth. The SOAR acronym stands for customizing the right Strategy to develop Objective(s) and goals to Achieve the client's desired results.

Her primary objective is to create solutions and execute powerful training that will increase productivity, improve performance and inspire continued growth. Let her team collaborate with your organization to create a tailored strategy for success.

Increase Productivity

Improve Performance

Inspire Continued Growth
