## TO YOUR NEXT LEVEL

*"Everything rises and falls on leadership". - John C. Maxwell*

You are a leader of yourself, family, team or business.

We would like to provide the valuable gift of our SOAR action plan.

For projects, goal setting, team development and more, this plan was designed to help you develop strategies and objectives to achieve maximum results.

Let's partner together to move to your Next Level of effectiveness.

Develop  
the right  
**STRATEGY**

Strategy is your plan of action designed to achieve your mission.

Leaders must make well calculated moves that will deliver the best results.

Leaders will study trends, data and receive expert advice before making major decisions.

Leaders are agile and will pivot to make necessary adjustments.

Develop  
your  
**OBJECTIVE**

Objective is your aim and targeted goal.

Leaders focus on personal development first. They will take responsibility for their own actions, behaviors and leadership qualities.

Leaders will use a proven system to create goals. The SMART goal model indicates a goal must be specific, measurable, attainable, relevant and timely.

Develop your  
focus to  
**ACHIEVE**

Achieve is the picture of success when you have accomplished your goal.

Leaders have the ability to inspire and organize others to achieve a shared goal.

Leaders understand the importance of how they facilitate a strong team, family and/or organization.

Leaders will focus to: involve others in the process, motivate others to be engaged to win and empower a team to take ownership.

Develop metrics  
to measure  
**RESULTS**

A result is your final outcome.

Leaders will always take time to evaluate.

Leaders understand whether they fail or succeed, there are always lessons to learn in the process.

Leaders will celebrate success. They recognize that their most important asset is people.

Leaders will go to the Next Level and say "Thank You" to everyone involved!
